With players behaving as they do in the real game, FIFA lets you put yourself in the thick of the action and share your passion for the beautiful game. The Women’s Competitions It takes teamwork to win the World Cup™, and that’s why FIFA 19 has introduced the FIFA Women’s World Cup™. The FIFA Women’s World Cup is the biggest women’s soccer tournament in the world. 48 teams from across the world compete every four years for a chance to be crowned World Champions. FIFA 19 allows players to start their football journey in a region of their own choosing. Fans will face teams from Ireland, North America, Mexico, and more. Play, watch, and share with your friends on social media. FIFA 19 has brought in new and enhanced gameplay features to the Women’s Competitions, including Defending, Deliberate Squeezing, and Interceptions. Defending also comes with full defender lock, including being able to switch between a defender and an attacker any time you’re on the backline. The defending mechanic allows defenders to pressure their opponents at all times and prevent key moments in the match. Deliberate Squeezing is a new way to win the match on your own terms. You can now position yourself in key moments to be involved in shots, and deliberate positioning allows you to take control of a situation. All this is possible with the added power of Super Ultimate Team, where you can generate and share new play styles and formations that could lead to winning the cup. bc9d6d6daa
