One of the best arguments against corporal punishment is about the other children who suffer from what corporal punishment does to the offender. What happens when the offender is left alone in a house with no adult supervision? Then the effects of corporal punishment are multiplied. One of the best arguments against corporal punishment is about the other children who suffer from what corporal punishment does to the offender. What happens when the offender is left alone in a house with no adult supervision? Then the effects of corporal punishment are

multiplied. It's not that we want to give the parents a free pass to abuse their children, it
