---

the sport is set in the future. a world ruled by a police agency called "the third" that successfully has kept the world in order for hundreds of years. it took no time, or a minimum of a number of years, for the third to discover a mutant, a deformed sort of person, that helped it thrive in keeping the world in order. but the third did not stop at simply a mutant. they did extra. they crafted a number of top secret, genetically-mutated human weapons, including one named splinter cell. over time, splinter cell has been gathered by the third and deployed, like a secret agent. the splinter cell has abilities that every other agent doesn't. he can leap 30 feet in a single stride, can leap over objects, and has a very fast reflexes. but all of that is

---

merely the tip of the iceberg. he's been engineered to carry out unique missions and makes use of a number of gadgets, like a gun that can be used both as a handgun or a sniper rifle, a rope that can help him pull off a variety of stunts, and even a grapple hook that can be used to catch a number of people, or pull off stunts. over the top of that, sam fisher is also a deformed person, even though not in the sense that splinter cell is. his physique has been mutilated. nevertheless, he's discovered a way to make the mutilation work for him, and it involves a device referred to as the deus ex, that can create cybernetic enhancements to any specific body part. with the deus ex, sam can add wings, a tentacles, and an extension

---

on his arms and legs. that's, of course, if the third hasn't interfered. an investigation into his daughters death unwittingly leads former agent sam fisher to discover hes been betrayed by his prior agency, the third echelon. now a renegade, fisher finds himself in a race against time to thwart a deadly terrorist plot that threatens millions. uniting revolutionary gameplay enhancements with a high-octane, no-holds-barred storyline, tom clancys splinter cell conviction arms you to the teeth with all the high-tech weaponry and lethal skills of an elite operative and invites you to enter a dangerous world where justice means making your own rules. this release includes: tom clancys splinter cell: conviction
