**American Ninja 4 Dublado Baixar**

sometimes ninjas were even funny, for instance the ninja with a fork, who likes sushi and always eats it before and after a fight. and we also had the ninja dressed as a monkey - with a real one. there was also a ninja who went around carrying a big knife to cut "presents" for his "friends". this was really silly and even insulting to the ninjas. they were supposed to be warriors and not clowns. the american ninja 4 was a big disappointment and it took me many years to even realize that it was a ninja movie. but now i know, i was like everyone else. i had no idea what was going on. i just knew there were some ninjas who got captured by a crazy guy. i was so confused when i watched the american ninja 4 for the first time. i didn't get what was happening at all. there was a big climactic battle between ninjas and american soldiers. i didn't understand why these ninjas got captured by the american army. why was this guy dressed in a suit? why did the ninjas throw knives in the air and eat them? why was this guy carrying a big knife? why were there so many ninjas? why did they fight with american soldiers? it was only after i watched the whole film that i realized what was going on. the american ninja films were not really focused on ninjas at all. most of them were kung-fu films with ninjas as the villains. after watching this american ninja 4, i realized that cannon films really didn't know how to make a ninja film. they relied too much on ninjas. the american ninja 4 was an attempt to be more kung-fu and less ninja. i thought that cannon films is doing the american ninja movies a disservice because they are not authentic. 5ec8ef588b
